To Whom It May Concern,

This notice is to advise you that Adjala 20 Sideroad will be closed at Bridge 28 located between Concession Road 3 and Concession Road 4 starting mid-May 2024 for an approximate duration of nine (9) weeks. The temporary road closure will be implemented to facilitate the rehabilitation of the existing bridge structure located over the Nottawasaga River. The scope of work for construction includes roadway repaving, deck top waterproofing, bridge barrier and roadway guiderail replacements, and the chipping and patching of the concrete deck top, curb, soffit, and abutments.

During the roadway closure, access will be maintained to all private properties located within the project limits.

A detour route will be provided during the bridge closure along Sideroad 25 for all through traffic requiring access to the opposite side of the bridge.

If you require any further information regarding the project, please contact Mr. James Johnstone (Project Manager of Infrastructure and Development) at the Township of Adjala-Tosorontio by email ([jjohnstone@adjtos.ca](mailto:jjohnstone@adjtos.ca)) or by phone (705-434-5055 ext. 231).

Yours Truly,
