**EXPLANATION OF THE PURPOSE AND EFFECT  
OF THE PROPOSED MINOR VARIANCE  
A/08/24**

An application has been made for a Minor Variance to Township Zoning By-law No. 03-57 under file number A/08/24 to permit an interior side setback of 1.2 meters for the addition and 1.8 meters for the garage, whereas the required interior side setback for the subject property is 3 meters as per zoning bylaw 03-57. As a result of the inspection for the permit on July 12, 2021, it was discovered that the addition and the detached garage did not meet the applicable setbacks of the municipal zoning by-law 03-57. To comply, the applicant is requesting a minor variance. It should be noted that the permit was issued by the township based on an error in assessing the information and application at the time of issuance. Furthermore, the structure is currently under construction, with the footings and framing completed.

All other provisions of the zoning by-law will be met within the Hamlet Residential (HR1) Zone, on 8495 Main Street Lisle, Adjala-Tosorontio.
