IMPORTANT RECYCLING CHANGES

COMING JANUARY 1, 2026

What to know:

- **Recycling Collection:** Now managed by **Circular Materials**, collected by **Emterra Environmental Inc.**
- **Garbage & Organics:** Still managed by **Simcoe County**, collected by **Miller Waste Systems.**
- **Collection Day: No change** to your scheduled day or carts.
- **Pickup Times:** May vary due to separate truck routes. Place materials curbside by **7 am**.
- **New Recycling Materials: More items** will be accepted unilaterally across the province of Ontario. Visit **circularmaterials.ca/simcoe** for details.
- **Transfer Stations:** Recycling Drop-offs will include a **disposal fee** starting **January 1, 2026.**

Why is this change happening?

Ontario's **Extended Producer Responsibility** program shifts recycling responsibly to Producers to create a more **consistent** and **efficient** system.

What are the benefits?

- Province-wide standardization of accepted materials
- Incentives for producers to reduce waste and improve packaging.

What if my recycling isn't picked up?

- **Call Emterra directly at 1-888-597-1541** or email at **customercareont@emterra.ca.**

Note: Recycling and organics will be collected at different times.
